The York Courses Web site is designed to provide a central location where information can be obtained on thousands of courses that are being taught and have been taught in the past at York University.

This site contains information about the current course timetables and the current exam schedules once they have been released. Descriptions for courses offered in the past several years are available from the "Course Search By ..." link at the bottom of the grey bar on the left.

Important note: As of the Fall/Winter 2009-2010 Session, York University will launch the new [Faculty of Liberal Arts & Professional Studies](#) (LA&PS), combining the strengths of the Atkinson Faculty of Liberal & Professional Studies and the Faculty of Arts. All Arts and Atkinson programs and courses, except mathematics, computer science and computer security, will be switched to LA&PS. Mathematics, computer science and computer security programs will be switched to the [Faculty of Science and Engineering](#) (FSE).

Before enrolling: You should read through the [current enrolment guide](#) to ensure that you are fully aware of the various course add/drop and start/end dates, and the financial impact of enrolling in and dropping courses. Instructions for using the enrolment system and troubleshooting help is also available on the [Enrolment Guides](#) Web site. You are particularly encouraged to check out the Important Faculty-Specific Enrolment Reminders section. You may also want to [Ask a Student Services Expert](#).

For more information on your Faculty's rules and policies and your program of study, please go to the [Undergraduate or Graduate Calendars](#).
